

# The Jesus Plan

It is a method or strategy of reaching, multiplying and developing new disciples following the path of Jesus in his way of operating here on earth as summarized in John 17: 2-18. Christ commanded his disciples to reproduce in others the fullness of life they had found in Him John 15: 8. He warned them: "Every branch that does not bear fruit in me will take it away; and every one that bears fruit shall cleanse it, that it may bear more fruit" John 15: 2. A mature disciple must teach other believers how to live a life pleasing to God and equip them to train others, so that they in turn teach others. None is an end in itself. Each disciple is part of a process, part of the method chosen by God to extend his Kingdom through reproduction. We know this, because Christ formed disciples and commanded his disciples to make disciples (see Matthew 28:19). God could have selected any other method. He wanted to expand his gospel and build his Kingdom. We know this method in the Unified Missions For Christ Ministry as: THE PLAN OF JESUS.

## The Jesus Plan As an Outreach Vehicle.

- The Word of God, The Bible, is The Fuel.
- The Lord Jesus Christ Is The Driver or Pilot.
- The Holy Spirit Is The Engine.
- The Disciple is the Copilot.
- Each Wheel is a Stage of Jesus' Plan

# The Jesus Plan Outline

## 1. Evangelize

- a. Evangelism is the first stage in the Plan of Jesus that consists in bringing the good news of Salvation to the lost. This good news is the announcement of a plan of Salvation established by the Father through his son Jesus Christ, according to John 3:16. In this stage, tools such as The Jesus Film, The Evangelistic Cube to illustrate the plan of Salvation, and the 4 Spiritual Laws are used.
- b. The Four Spiritual Laws is a Christian evangelistic booklet created in 1952 by Bill Bright, founder of the Campus Crusade for Christ organization. Bright wrote the treaty as a clear and brief way to explain the essential aspects of the Christian faith according to the evangelical conception of salvation. Bright summarizes in this booklet his conception of the salvation message contained in the Bible in four spiritual laws that govern the relationship of the human being with God in a similar way to the way in which physical laws govern the universe. According to Bright, the four spiritual laws are:
  1. FIRST LAW  
God LOVES you, and has a WONDERFUL PLAN for your life. (John 3:16, John 10:10)
  2. SECOND LAW  
Because an is SINNER and is SEPARATED from God; therefore he can not know or experience God's love and plan for his life. (Romans 3:23, Romans 6:23)
  3. THIRD LAW  
Jesus Christ is the ONLY provision of God for the sinner. Only in him, can you know God's love and purpose for your life. (Romans 5: 8, 1 Corinthians 15: 3-6, John 14: 6).
  4. FOURTH LAW  
We must RECEIVE Jesus Christ as Lord and Savior through a personal invitation; Then we can know and experience the love and purpose of God for our lives. (Rom 10: 9-10, John 1:12, Ephesians 2: 8-9, John 3: 1-8, Revelation 3:20).
- c. The use of the booklet was extended worldwide and continues to be used today by evangelical Christians in their work of evangelization in order to explain their faith to the unconverted, in various forms and languages. The four spiritual laws are widely used by international

student organizations focused on campus evangelism such as The Philippine Student Alliance Lay Movement (PSALM). According to these organizations, the purpose of this booklet is to spread the word of God and help people receive the Holy Spirit.

## 2. To care

- a. Caring is preserving that new seed of the word that was sown in the heart of a new believer through personalized attention and pastoral guidance..

It is to develop activities to strip all traces and ties of the past that impedes the healthy and healthy growth of the New Believer.

- b. What is a retreat? It is an activity that takes place in the second stage of the Plan of Jesus and involves a whole process of several weeks through which the spiritual conditions are prepared that begin on a weekend, where people are received to minister to them the healing of the Soul.

During this time the assistants are ministered in all areas (emotional, spiritual, relational, and even physical), seeking their total healing and to guide them to an approach with God and to have responsibility in the vision of reaching the world for Christ.

- c. The "Jesus Plan" of UMC is a method that from the School of Leadership:

It allows applying the strategy of Jesus Christ to obey Jesus' Command to train Servants to Preach the Gospel with Compassion by winning people for Jesus Christ, and to train other disciples who will be sent to preach in order to transform the city, the nation and the world with the gospel message ... " The DISCIPLE must therefore be productive people, multiplying Disciples who fulfill the Great Commission according to Matthew 28: 19-20. "You, my son, strive in the grace that is in Christ Jesus. What you have heard from me before many witnesses, this entrusts to faithful men who are qualified to teach others also "2 Timothy 2: 1

- d. WHAT IS THE DISCIPLESHIP OF CHRISTIAN BELIEVERS?

The discipleship of Christian believers is the greatest call that exists on this earth. There will be no other challenge more challenging than following the footsteps of Jesus. Every Christian to this has been called, just as the Apostle Peter is careful to tell us: "For you were called for this; for Christ also suffered for us, leaving us an example, that you should follow in his footsteps "1 Peter 2:21.

The way is already drawn, for the example has been given to us by one who "being in the condition of a man, humbled himself, becoming obedient unto death, and death on a cross" Philippians 2: 8. We can not be disciples of Christ if in us there is not that same obedience that was in Him (see Philippians 2: 5), and it should be noted that his obedience was until death.

He himself described the character and attitude of people who would like to embrace such a proposal: "From the days of John the Baptist until now, the kingdom of heaven suffers violence, and the violent take it by force" Matthew 11:12.

#### 4. Commision

- a) Commissioning is to send the newly trained disciple who participated in the Retreat of LAUNCH TO THE GREAT COMMISSION and who was officially anointed and ordained (delegate) with power and authority by his pastor or Spiritual Leader to be witnesses of Christ and willing to bear fruit in fulfillment of The Great Commission of Matthew 28:19.

This new ordained leader could be able to have his pastor or leader assign him along with his wife or another worker (a Timothy), to open his own Friendship and Connection Groups (GAC's or cell) of weekly Bible study with the address and coverage of their pastor of the Church or congregation to which they belong.
